

STYH 100 Rules Tariff

Item 2212

Cross Dock Fee

Section 01

Effective 3-14-2022

When a receiver requests to pick up freight at Carrier's dock an accessorial charge will apply as follows:

Freight originating within a 100 mile radius of the Carrier's service center where the freight is located:

- Less than 60 minute cross docking to receiver's truck and or trailer = \$80 minimum charge.
- An additional \$20 charge applies for each additional 15 minutes or portion thereof.

Freight originating outside a 100 mile radius of the Carrier's service center where the freight is located:

- Applicable inbound freight charges will apply, subject to an \$80 minimum freight charge.
